Dear Parish Council Members,

I would like to convey my sincere thanks for all your support of our recent planing application, which is to provide auxiliary housing for a live-in carer for my husband Brian.

Our planning application was successful, and approved by the Park in mid January. We are hoping, weather and supplies allowing to begin the work at the end of March/ April.

Thank you to all of those who took the time to visit the proposed site, and for sending the letter of support to the Park Authorities. It was very much appreciated by us both.

Yours Sincerely

Margaret Spittles

The Parish Clerk
Moretonhampstead Parish Council
Green Hill
