21/2022 MINUTES

It was proposed by Cllr Farrand-Rogers, seconded by Cllr Hodges and **resolved** to accept and sign the minutes of the meeting held on 1st March 2022 as a correct record.

22/2022 0088/22: Proposed: removal of condition 3 of approved planning reference 0699/21 to allow the use of uPVC windows at Car Park off Station Road, Moretonhampstead

Cllr Jeffery summarised the application. Discussions centred on if the uPVC windows should look like wood.

It was proposed by Cllr Hodges and seconded by Cllr Warner to support the changes. Cllr Chudley proposed an amendment to the original motion to add the words 'request the plastic used is a wood-

lookalike. The amendment was seconded by Cllr Keep. The amendment was put to the vote and it was **resolved to support** the change and to request that the plastic used is a wood lookalike. There was one Cllr against the substantive motion.

Cllr Farrand-Rogers queried why the park had objected to the use of plastic in the initial application. Cllr Hodges thought the committee should ask DNPA what their attitude is to window replacement materials. Cllr Jeffery agreed to investigate.

The Chairman closed the meeting at 7.06pm.
