130/2022 CORRESPONDENCE

Correspondence was received and circulated prior to the meeting from Mel Stride MP replying to the councils concerns about the withdrawal of some NHS Dentist services in Moretonhampstead. Cllr Farrand-Rogers found it disappointing that after waiting 10 weeks for a reply Mel Stride MP has not gotten an answer from the Government. Cllr Farrand-Rogers noted that as Teignbridge rep he had written to DALC and asked them to consider the item at their next meeting.

Correspondence was received and circulated prior to the meeting from Manaton Parish Council requesting the council consider joining the '20's plenty' campaign. Cllr Farrand-Rogers thought it strange that Manaton were trying to re-invent the wheel and had not contacted DALC to take the matter forward. Cllr Jeffery noted that they had contacted DALC. The majority of the council supported the campaign.

It was proposed by Cllr Farrand-Rogers that the council reply sympathetically to Manaton Parish Council and send a formal letter to DALC inviting them to take up the campaign. Cllr Fileman-Wright suggested an amendment that 'the council reply to Manaton Parish Council that it supports the '20's plenty' campaign'. Cllr Farrand-Rogers was happy to accept the amendment.

It was proposed by Cllr Farrand-Rogers, seconded by Cllr Warner and resolved to **reply** to Manaton Parish Council that it supports the '20's plenty' campaign and send a formal letter to DALC inviting them to take up the campaign. Cllr Fileman-Wright agreed to work with the Clerk to draft a reply.

Correspondence was received and circulated prior to the meeting from Cllr Nicky Heyworth updating the council on the Greenway Project Feasibility Study. The correspondence was noted and it was agreed the Greenway Project would feature on the September agenda.

132/2022 GRAVE DIGGING CONTRACT

The Clerk had written to the council to declare an interest in this item in accordance with Local Government Act 1972 s117. The quotes had been circulated prior to the meeting.

It was proposed by Cllr Warner, seconded by Cllr Keep and **resolved to award Contract 5** (Grave digging) to Mr Parkin.

133/2022 LITTER PICK

The clerk had recently taken part in Clean Devon's Local Council (Parish and own) Litter survey and had won litter picking equipment. Cllr Simpson noted that Moreton Action on Plastics (MAPS) already organise litter picks and she thought it would be a good idea to work with them. It was suggested that it would be a good idea to organise the litter picks to coincide with town events. The council agreed to contact MAPS to arrange a litter pick.

134/2022 SUMMER BREAK

It is usual practice for powers to be delegated to the Clerk, Chairman and Vice Chairman to enable the Council to function effectively during the summer break.

136/2022 ALLOTMENT MATTERS

Cllr Keep and Cllr Jeffery had met the owner of the collapsing wall at the allotment. Cllr Keep reported that in his opinion it was not the tree that had caused the collapse. The wall has had repairs in the past and the council agreed that it was the owner's responsibility to fix the wall but as the collapse is not affecting either party the issue will not be pressed. Cllr Keep noted that the owner of the wall had requested that the sheds next to the wall are moved to enable him to carry out maintenance to the wall. The clerk noted that the Allotment Association had already been made aware of this issue.

It was proposed by Cllr Warner, seconded by Cllr Keep and **resolved to write** to the owner to inform him that the council don't believe root action has caused the problem. The council would like the owner to keep an eye on the wall but it will not be pressing him to make the repairs. The council will be reminding the Allotment Association to move the sheds to enable the owner to maintain the wall.

The Chairman closed the meeting at 8.09pm.
